GREETING

I am delighted to be the Editor-in-Chief of JMECS as of March 1, 2015. The first edition published in October 2015 and has been followed by the second edition published in October 2016.

My duty is to accelerate JMECS to be a prestigious journal in the international Physics, Electronics, and Communications engineering community.

Dr. Erna Sri Sugesti
Editor-in-Chief

In order to reach the targets, we will make the review cycle to be done as fast as possible and keep the journal in high quality.

I would like to express my gratitude to editors, Associate Editors, and Reviewers of JMECS for their service and dedication to the editorial works.
